For full sample details please refer to the weekly report books.

Please note the following points:

- All sales figures represent our estimate of sales through the listed outlets.
- Value reports are based on RRP to June 2002 and ASP from July 2002.
- Companies who are particularly strong in outlets not sampled are understated as a consequence of the panel structure.
- As of January 2005 the Chart-Track panel is estimated to be around 90% of the UK retail market (85% July 2002 - December 2004 and 80% pre-July 2002).
- The price shown against each product includes VAT and is an average across the month.
