This report is produced by GfK for UKIE, and covers entertainment software sales over the specified period.

Data is collected from EPoS systems installed in the following outlets:

| | |
|--------------------|-----------------|
| Amazon | O2 |
| Argos | Office Depot |
| Asda | QVC |
| Base.com | Sainsburys |
| BrightHouse | Shop Direct |
| Carphone Warehouse | Shopto.com |
| BT Shop | Simplygames.com |
| Game | Office Outlet |
| Games Centre | Tesco |
| Grainger Games | The Hut Group |
| Hmv | WH Smith |
| John Lewis | Xbite |
| Maplin | GameSeek |
| Morrisons | Dixons Carphone |
| AO.com | |

For full sample details please refer to the weekly report books.

Please note the following points:

- All sales figures (total market statistics, publisher market share, product rankings) represent our estimate of entertainment software sales through the listed outlets.
- Operating System Software and PC non-games (Home Office/Utility/Reference/Education) are excluded from all GfK Software Reports.
- The cut-off point for Full-Price and Budget software was £19.99 for all formats except PC and GBA (£16.99), Xbox 360 (£24.99) as of October 2006, Nintendo Wii (£24.99) as of December 2006 and Playstation 3 (£24.99) as of January 2008.
- As of 2009 FP / BP price points were standardised at 2 levels with PS3/PS4, Xbox360/One & Wii/WiiU at £19.99 (£20 is FP) and all other formats dropping to £14.99 (£15 is FP).
- Companies who are particularly strong in outlets not sampled are understated as a consequence of the panel structure.
- As of January 2005 the GfK panel is estimated to be around 90% of the UK retail market (85% July 2002 - December 2004 and 80% pre-July 2002). As of 2014 coverage moved to 95%.
- Entertainment software includes all console software and all pc games and pc childrens software.
- Please note that 1998, 2004, 2009 and 2015 were 53 week years, due to calendar convention.
- Week 53, 2015 (w/e 02/01/16) is the direct equivalent of Week 01, 2015 (w/e 03/01/15). Therefore every week in 2016 is comparable to week+1 in 2015.
- This means that when comparing 2015 with 2016 the directly comparable 52 weekly periods are weeks 2-53 in 2015 and 1-52, 2016.
- The 2015 monthly data shown in this report is shown as it was published in 2015 - as a 53 week year. Therefore, please note the following:
- Monthly comparisons - Jan15 compared to Jan16 should be based on weeks 2-5, 2015 and 1-4, 2016. Dec15 compared to Dec16 should be based on weeks 49-53, 2015 and 48-52, 2016.
